

# First IDEA National Seminar-2002

The first National Seminar cum formulation of Indian Dairy Engineers Association (IDEA) was held on 13<sup>th</sup> February 2002, at Institution of Engineers (India), Plot no. 1, Madhya Marg, Sector 19 – A, Chandigarh. Due to the untiring efforts and wide vision of the founder President, Late Er. M M Munial of Indian Dairy Engineers Association, popularly known as “IDEA” the association could see the light of the day and came into being 13<sup>th</sup> February 2002. Formulation as well as registration of Indian Dairy Engineers Association (IDEA) is an effort to bring together all persons engaged in Engineering Profession, connected with Dairy Industry. IDEA provides common platform for Dairy Engineers fraternity where they could exchange ideas, shares their views and experiences for the betterment of Dairy and Food industry / institutes. During the last one decade, the IDEA has grown up from sapling to a tree and started bearing fruits. IDEA was got registered in the Punjab State with the certificate of Registration of Societies, under Act XXI of 1860 vide no. 742 of 2001-2002 dated 22-03-2002. About 150 engineers participated in the first National Seminar-2002
