

## REGISTRATION FORM

### National Convention on ENGINEERING INTERVENTION: QUALITY MILK PROCESSING

- Name : .....
- Designation : .....
- Official address : .....
- Tel.....(O).....(M).....  
Fax ..... E-mail .....
- Address for correspondence .....
- Details of Payments Rs. .... paid  
vide D.D.No..... Dated .....
- Title of the Abstract / Paper Submitted: .....
- Date of Arrival : .....  
Date of Departure : .....
- Accommodation Required / Not Required:

(Signature)

Date:  
Place:

Filled up registration form to be mailed to the Convener along with appropriate demand draft in favour of "Indian Dairy Engineers Association" payable at Karnal.

### Product Exhibition

An exhibition of scientific instruments, dairy equipments, and educational tutors will be organized to provide a link between the manufactures, their representatives and the users. Firms/Industries/Organisations interested in display of their products/machineries can exhibit the same in the exhibition area.

**Particulars** (10 x 10 feet) area Rs. 5000/-  
With two tables & two chairs.

Come forward for stall booking. Stalls will be available on "first-come-first-serve" basis.

### Publicity / Advertisements

The organizing committee of the convention invites advertisements from professionals and industries. These will be published in the Convention Souvenir. The prospective exhibitors / advertisers are requested to send their advertisements for publication in the Souvenir (A4 size) as per the rates given below:

	Amount (Rs.)
1. Inside Cover - Colour (Front page)	10,000
2. Inside Cover - Colour (Back page)	7,500
3. Back Page Colour	12,500
4. Full Page Colour	6,000
5. Half Page Colour	4,000
6. Full Page (B/W)	5,000
7. Half Page (B/W)	3,000

### Accommodation

A limited accommodation is available (on first come first serve basis) at nominal charges in the Institute's Scientist Home and Guest House of ICAR Institutes located at Karnal.

Accommodation can be arranged in hotels at Karnal on request. The tariff / rate for various categories of hotels at Karnal are given below:

Accommodation	Single	Double
A Category	Rs. 2000	Rs. 3000
B Category	Rs. 1000	Rs. 2000
C Category	Rs. 500	Rs. 1000

## National Convention on Engineering Intervention: Quality Milk Processing

19 NOVEMBER, 2005

Organized by

**Dairy Engineering Division  
NDRI, Karnal**

**&  
Indian Dairy Engineers Association  
Chandigarh**

Venue:

**National Dairy Research Institute  
Karnal-132001, Haryana (India)**

## ORGANISING COMMITTEE

- Chairman** : **Dr. Sushil Kumar**  
Director, NDRI, Karnal
- Co-Chairman** : **Dr. S.L. Goswami**  
Joint Director (Res.), NDRI, Karnal
- Dr. S.P. Agrawala**  
President (IDEA) & Head, D.E.Division
- Coordinators** : **Dr. R.K. Kohli**  
Executive Member (IDEA) &  
Principal Scientist, D.E. Division, NDRI
- Prof. Bikram Kumar**  
Principal Scientist, D.E. Division, NDRI
- Dr. A.K. Dodeja**  
Executive Member (IDEA) &  
Principal Scientist, D.E. Division, NDRI
- Er. S.C. Malik**  
Vice President (IDEA)
- Er. R.K. Chugh**  
Vice President (IDEA) &  
G.M., HDDCF, Chandigarh
- Er. A.K. Mehta**  
General Secretary (IDEA)
- Er. S.C. Agrawal**  
Executive Member (IDEA) &  
G.M., CPF, Khanna (Pb)
- Convener** : **Prof. I.K. Sawhney**  
Executive Member (IDEA) &  
Principal Scientist, D.E. Division, NDRI
- Co- Convener** : **Er. Sanjeev Sharma**  
Treasurer (IDEA) &  
Dy. Manager (Engg.), PSCMPF, Chandigarh

All correspondence should be mailed to:

**Prof. I.K. Sawhney**

Convener, IDEA National Convention &  
Principal Scientist,

D.E. Division, NDRI, Karnal-132001 (Haryana)

Phone : 0184-2259269, 2259267, 2259277

E-mail : ishsawhney@yahoo.co.in

## The Host Institution

National Dairy Research Institute is the premier research organization of the country committed to providing R & D and HRD support towards dairy development programmes of the nation. Working in close liaison with various National and International development agencies, the Institute over the years has gained prominence as the front ranking research organization on global basis, with a mission to foster Research & Development, evolve innovative applications of technology and provide world class education in all aspects of Dairying.

The Dairy Engineering Division functioning under the aegis of this Institute is engaged in pursuing basic and applied research on process mechanization of Indian dairy products through generating basic engineering data for R & D applications, design and development of process equipments. It has contributed significantly to the engineering R & D by its steady indigenisation through process of innovation and up gradation of skills & technology and by developing large and small-scale equipments for processing of indigenous dairy products, for the benefit of farmers, industry and dairy entrepreneurs.

## Convention

At this juncture when India has established itself as the largest milk producer in the World, it has a potential to become a major contributor to the global export market of milk products. The dynamics of technology improvements have radically changed in the post WTO era. Food quality and safety standards have assumed paramount significance and are crucial in international trade. The role of engineering interventions in advances in technology and stringent product quality measures can perhaps never be over emphasized.

The 3<sup>rd</sup> National convention on "Engineering Intervention-Quality Milk Processing" is being organized by Dairy Engineering Division at NDRI in collaboration with the Indian Dairy Engineers Association. The convention will include invited presentations from eminent engineering

professionals and contributory poster presentation on various areas of engineering interventions including milk processing, equipment manufacturing, entrepreneurship, research and education.

The convention will include two technical sessions covering the following aspects :

### Session – I

- Engineering solutions for quality management in milk processing.
- Dairy engineering education-the paradigm shift.

### Session – II

- Optimizing profitability through quality enhancement in milk products.
- Automation in dairy industry for strategic quality competitiveness.

## Submission of Abstracts

Contributions in the form of Abstracts of papers are invited for poster presentation in the Convention. The abstracts will be published in the Convention Souvenir along with the invited presentations. Abstracts not exceeding 200 words may be sent in triplicate to the convener by post along with a copy of abstract through E-mail/ 3½ floppy/ CD. Abstracts should reach the convener on or before 31<sup>st</sup> October, 2005.

## Registration Fee

Delegate	Rs.600
Student Delegate/Retired Professionals	Rs.400
Foreign Nationals	\$ 100

It is mandatory for each delegate to register at the seminar to be eligible for poster presentation.

Delegates attending the seminar will be received at Karnal Railway Station and Bus Stand if arrival travel plan is communicated in advance.
